

Bad Doctor (Gideon Box Book 1)

When you're in my hospital you're not family. You're prey! If you're coming after me, don't do it in a hospital. That's my domain. And don't piss me off in the real world and expect a smooth hospital stay because I have a long memory, and no one is exempt. Before you bully me in a bar, embarrass me on a date, or refuse to replace the crappy car you sold me, think about this: you'll never be more vulnerable in your life than when you're spending the night in a hospital. When you're here, you're not family. You're prey!

Wild and crazy! After reading *Bad Doctor*, I may never set foot in a hospital again even as a visitor! If you like Donovan Creed, you're going to love *Bad Doctor*! *Bad Doctor* hooked me from the first sentence! I kept thinking "Just one more chapter," but I couldn't stop. When there were no pages left to turn I was shocked to find I had spent the entire afternoon reading this book!
