

Yellow & Green: Not an Autobiography of Marcy Chen

Twenty-five, Chinese-American, and agoraphobic, Marcy Chen navigates love, sex, gourmet food, family and a desperate fear of people and intimacy. Living in the trendy Fremont district of Seattle, Washington, Marcy has created a life insulated from the people around her. Slowly she realizes that she must make a choice between seclusion and safety, or living the life she wants - in fear.

Marcy Silver .. These cells were not positive for the endothelial cell marker CD31 or the smooth muscle cell marker α -smooth muscle-actin (data not shown).
