

The Guns of Vedauwoo

A cache of stolen guns is hidden among the mystical rocks of Vedauwoo, Wyoming, and escaped convict Vilo Creed is hell-bent on raking in some easy money by selling the stash to Sioux sub-chief Kicking Bear for the Ghost Dance movement. Deputy U.S. Marshal Cash Laramie has been charged with finding Creed before the madman digs up the guns that'll fuel the fire of a major uprising. But will a run-in with a holed-up gang of train robbers and trying to protect a group of adventure-seeking rock climbers prevent Cash from stopping Creed in time? THE GUNS OF VEDAUWOO is the second Cash Laramie novel by Wayne D. Dundee, following on the heels of his bestselling MANHUNTERS MOUNTAIN. Praise for Wayne D. Dundee and Manhunters Mountain: Dundee keeps the action moving along at a rapid pace, and as always, Cash Laramie is a compelling character, a testament to Cranmer's (Edward A. Grainger) creation of him in the first place. -- James Reasoner
Excellent hard-boiled western that does more than grip you with a strong story, but settles you among characters you'll miss when the last page is turned. -- Thomas Pluck
A solid, unflinching Western. -- Nigel Bird
Dundee doesn't write for the faint-hearted. -- Mel Odom
A fast, hardboiled Western that continues the Cash Laramie legend with swagger and good, solid writing. -- Larry Sweazy
