

The Best Revenge (Dr. Alan Gregory Novels Book 11)

In a riveting new novel of psychological suspense, Stephen White shines a brilliant light on the darkness that hides just beneath the surface of ordinary lives, on the fears that cripple us and the prisons we create --prisons of the body, mind, and spirit. A thriller of runaway tension, taps into our most closely guarded fears, taking us on a harrowing journey into a realm of terror and pain, of love gone wrong and vengeance gone mad. The Best Revenge

Psychologist Alan Gregory is living through a season of discontent. With a new daughter, a wonderful wife, and a prospering career, he has little to complain about and lots of regrets: past cases that won't let him go, patients who don't get better, and a growing unease with keeping secrets. But Gregory has two new patients who will drag him out of his introspection--and dare him to enter a storm of injustice and revenge. FBI special agent Kelda James is a hero, a woman who as a rookie agent made a choice, drew her gun, and saved a life, taking another. Now Kelda is hiding from the world a secret pain that is gradually crippling her body--and she has turned to Alan Gregory to help free her from the prison of her pain. Then Kelda refers a patient to Gregory, who is terrifyingly dangerous to them both. Tom Clone served thirteen years on Colorado's death row for a crime he claimed he didn't commit--until an FBI agent dug up evidence that set him free. The agent's name: Kelda James. With both Kelda and Clone telling him their innermost secrets, Alan Gregory becomes the one person who can piece together an extraordinary puzzle--of two unsolved violent deaths of vulnerable women, of a man who may be innocent or may be very lucky, and of the strange, fatal attraction between two people trapped in a horrific plot to get revenge--at any price. A thriller that delivers a stunning body-blow of a surprise ending, captures lives colliding at

unpredictable angles, probing the dangerous lies people tell to each other and themselves. In this astonishing work by a novelist at the height of his powers, Stephen White brilliantly blends thrilling action and breakneck pacing with unrivaled insight into the human mind, heart, and psyche.
