

Fatal Money or the Game of Fate

Different people. Different destinies. And suddenly they all intertwine in a fatal maelstrom of events created by missing money. It swallows more and more people. Greed, meanness, cruelty, cowardice ... generosity, courage, determination, self-sacrifice - everyone will show one's face and find one's destiny. The head of the city administration is expecting a large bribe. By fatal coincidence, money disappears. Among the suspects are an old police officer and a young man who found himself in the wrong place at the wrong time. The hunt begins with exciting pursuits, fights, lurking danger at every turn. To exonerate himself, a protagonist is trying to find the money. And in order to survive, he would have to show incredible resourcefulness, sometimes bordering on recklessness, iron will, fantastic stamina, courage and incredible reward for all that, as always, is the woman's love. Fatal money will play a crucial role not only in the lives of each character, but also in the death of many of them ...

Hex: Shards of Fate is a very ambitious and in many ways ... One of the reasons is the fact that this game has had next to no marketing and in some Mortal Kombat style climb-the-ladder mode (although The Frost Ring Arena, grind PvE content to flesh out your collection and make money, and discover For Threads of Fate on the PlayStation, GameFAQs has 4 save games.
