

King (Guardians of the Word Book 8)

Evil bides its time, ever waiting to breach the thin veil. Action and reaction join to swing the pendulum toward anarchy and destruction. Chaos reigns. The Demon lurks in the dark recesses. The possibility exists that it can't be destroyed. Evil will endure. It can't be taken, cured, or overcome. Night will cover the world no matter what. Faith may not be enough. Love may not survive. Amidst deception, temptation and fear, the last choice is made, the ultimate sacrifice taken. Father bequeaths unto son. Natural order must be restored. Those who are chosen to die may live, while those who are chosen to live may not make it through. The fate of the universe, of a kingdom, of a family...of one man is decided. The final battle is at hand. King is the Eighth and Final Chronicle of the Guardians of the Word series, an Epic Science Fiction Fantasy that is suitable for mature young adults. The Chronicles are Chosen, Myth, Telepath, Legend, Union, Seer, Adept, and King.
