

# This Used to Be My Playground

Dean Linton is stuck in a dead-end situation with a psychotic mother managing an isolated Western Australian roadhouse and tavern. He dreams of being in a better place, a city where people have real lives, but those dreams turn to a nightmare when a rampant virus reaches Western Australian shores and the health system overloads. Hes a tough kid, and thats just as well because the end of the world is nigh, and hes going to need all his skills to survive. This Used To Be My Playground is written at a cracking pace, but theres time enough for Dean to figure out whats really important... If youre a fan of John Marsden, Neville Shute or John Wyndham... then youre certain to love Sarah Simmons.

Chorus (first time without background vocals):. This used to be my playground [used to be] This used to be my childhood dream.
