

Measure for Measure (Folger Ed.) (New Folger Library Shakespeare)

Shakespeare's vivid dramatic projection of moral and ethical issues in *Measure for Measure* has given the play great appeal to both readers and theatergoers. Exploring the play's qualities as a complex work of art written specifically for the theatre, the introduction to this new edition sets the play in its historical context, discussing the originality of Shakespeare's treatment of a well-known story. Bawcutt explains the obsolete marriage customs, and also offers a comprehensive account of the text's theatrical afterlife from Restoration adaptations to recent productions.
