Funny, outrageous and intoxicating - The New York Resident As difficult to look away from as a house on fire or a twenty-car pile-up on the freeway. - The Midwest Book Review A full-frontal assault on our senses that is at all times absorbing, thought-provoking and checkered with raucous dialog. - Razor Magazine Highly entertaining, full of wit and dark humor. - Littoral West A call to arms for our apathetic generation. - Friction Magazine The antithesis of current teenage pop culture. - Clamor Magazine An affirmation of the power of narrative to reshape the world around us. - Word Riot What is most striking about Everetts prose is its quality. He is quite simply an excellent writer. - 3AM Magazine I loved every ounce of of ink and paper that passed through my fingertips and through my line of site. - FaceDownFall Everett is not afraid to make fun of himself along with everyone else, and boasts a sarcastic streak a mile across. - Maximum RockNRoll
