

The Problem With Heartache (Crazy in Love Book 3)

The problem with heartache is that there's no one-size-fits-all relief package. You can go to classes; you can try to embrace change. But when you wake up at two in the morning, a smile on your face because you've dreamt about the one who should have nothing will console you. Because seconds later, you remember. And remembering can rip you apart. *** Kate will do anything for her family. It's why she took the job with Lee. It's why she's attempting to forget her pain. But it's hard to forget, when you're desperate to hold on. Even if Lee Collins is the perfect package. Lee will do anything for the ones he cares about. It's why he hired Kate. It's why he keeps his secrets; and it's why he cannot, will not fall in love. Not with Kate, not with anyone. Ever. The one thing he can't forgive. The one thing she can't forget.
