

The Star Trek Sticker Book

Whether you're an officer in the Federation Starfleet, a warrior of the Klingon Empire, or a member of the Borg Collective, you have a distinctive identity, one that extends to the symbols of your culture, from the look of your vessels to the sign outside your quarters. One glance at those symbols instantly tells everyone who you are. But even if you're not a member of Starfleet, even if you just wish you lived in the twenty-fourth century, this amazing collection of stickers, featuring graphics, symbols, and more from the Star Trek universe will convey your unique personality. With the Star Trek Sticker Book, you can decorate your folders, computers, and almost anything else you can imagine with authentic emblems and signage from Starfleet, the Klingon Empire and Romulan Empire, the Borg Collective, the Ferengi Alliance, and a host of others across the entire galaxy. Just remember -- don't put any of the stickers on furniture, younger siblings, or tribbles.
