In Illialei, a light queen practices black magic. In Tyrannis, the dragonwitch rises to power. In the mortal world, Umbra pursues the half-bloods as vessels of incarnation. Energies in the enchanted world are shifting and new alliances are forming; the battle between Dark and Light has begun. Melia is desperate to make things right with Ryder, the young priest from Idonne, but first she must warn the half-bloods in the mortal world that Umbra is coming for them and face the powerful dragonwitch and her spectacular Dragon Carnivale. The stakes are raised when Melia grasps how far she will go to save the people and world she loves. KJ at KJ Reads A Lot Half Mortal, Book 2 The pace picks up quite a bit as the stakes are raised in Half Mortal, the second book in this epic coming of age fantasy trilogy.
