

# The Nostalgia of Time Travel

After the accidental death of his wife, Miranda, Benjamin Vlahos, an American theoretical physicist relocates to a remote resort town in Northern Queensland to work on a set of equations in an attempt to prove that time travel to the past is possible. As he struggles with the math, a deadly cyclone approaches, dragging with it ghosts from an unresolved past.

A deep heartfelt thanks to all, known and unknown, who have thus far read The Nostalgia of time Travel and have reviewed it on Amazon. The cockles of mySo, nostalgia is the suffering caused by a yearning to return.
