

Resolved: A Novel (The Butch Karp and Marlene Ciampi Series Book 15)

Tanenbaums done it again: *Resolved* is a complex, suspenseful tale of justice in the Big Apple, as a vengeful and sadistic killer sets his sights on the man who put him away -- New York Chief Assistant District Attorney Butch Karp. The fifteenth installment in Robert K. Tanenbaums blistering New York Times bestselling series sees Karp up against one of his most frightening tests, and the stakes have never been higher. A convicted killer named Felix Tighe has escaped from prison and has vowed to hunt down and execute the NYPD detectives who arrested him years ago. But theres more -- Tighes also planning a fight to the death with Chief Assistant District Attorney Butch Karp, the man who put him away. Felix Tighes laser-focused, obsessive hatred of Karp has simmered during his prison confinement, where he has spent time with Feisal Abdel Ridwan, a radical Islamic fundamentalist -- and their sordid connection only fuels his loathing of Karp. Now out of prison, with an assumed identity, and dangerously seeking payback, Felix stalks Karp to the very heart of his family as he plans a demonic assault on Karps daughter, Lucy. Rippling with action, and full of Tanenbaums trademark twists and turns, *Resolved* is a must-read novel which roils with post 9-11 malevolence and searing New York scenes. As Karp faces his toughest assignment yet -- and with his fearless and complex private detective wife Marlene Ciampi at his side -- *Resolved* builds to an almost unbearable climax at Karps office, Mannhattans central courthouse.
